

Don't Miss This Important Course!

Purpose:

The Immunization Skills Institute (ISI) is an immunization training tailored for medical assistants (MA), pharmacists, licensed vocational nurses (LVN), or anyone who provides immunizations. This four-hour training combines lecture, video, and mentored practice sessions, to increase competency in safe, effective, and caring immunization techniques.

Goals:

- To promote a safe, effective, and caring immunization delivery system
- To recognize and support the important role of the MA in immunization delivery
- To improve the immunization practices through competency-based self-assessment and performance-based evaluation

Learning Objective: After completion of the ISI training program, participants will be able to demonstrate an understanding of the following components of safe, effective, and caring immunization administration:

- Immunization best practices
- Vaccine storage & handling
- Immunization preparation
- Vaccine preparation
- Vaccine administration and after care
- Immunization documentation

The ISI instructors will act as mentors and guides throughout the lecture. The skill stations provide participants with the opportunity to practice all of the skills necessary to immunize your patients.

Prerequisites (**Highly Recommended**):

- Completion of on-line trainings at <http://eziz.org/eziz-training/>:
 - ✓ Storage and Handling (Monitoring Refrigerator Temperatures, Monitoring Freezer Temperatures, Storing Vaccines)
 - ✓ Vaccine Inventory Management (Conducting a Vaccine Inventory)
 - ✓ Vaccine Administration (Preparing Vaccines, Administering Vaccines)
